

LP-dek®

*100% results
in algae control*

*Reliable, durable, floating anti-algae cover
for water silos.*

- Developed and patented by Albers Alligator, LP-dek is the light-proof cover of choice for water silos.
- Available in any size.
- Has proven itself over the past 15 years in the successful control of algae in water silos.
- Our LP-dek is self-draining, weatherproof, wind resistant and remains tight thanks to a ring-shaped tube.
- Albers Alligator gives a 10-year warranty on LP-dek.
