

Water basin

*Storage for hot
or cold water*

*Albers Alligator can supply all your basin liners
and slope protection solutions.*

Year after year, hundreds of Alligator basins are proof of the excellent quality of our materials and installation. Whether you use our multi-layer Polyextra-S 0.60 mm or Alligator PVC 0.50 mm geomembrane, you can be assured of lasting and reliable waterproofing in your basin, regardless of its shape or size.

Albers Alligator provides the following guarantees (Europe) on basin liners, provided it is covered with slope protection or Multi-F:

- 10-year guarantee on PVC foil
- 15-year guarantee on Polyextra®-S 0.60 mm foil
- 10-year guarantee on slope protection
